

BABACO® DIGITAL SEAL® INTEGRATED WITH TRUK-LOK III®

TRUK-LOK III® integrated with Digital Cargo Seal® is an automatic locking solution for roll-up doors and replaces disposable seals.

This unique seal was designed to provide the ULTIMATE in transportation security by automatically locking while generating a random four-digit code everytime the door closes. Proving the integrity of the cargo, the codes cannot be anticipated or altered in any way.

Combine with the TRUK-LOK V® or DVIR APP for added vehicle safety.

Benefits & Features

- TRUK-LOK III® – Replaces factory installed J-Hook
- Made of tough durable stainless steel
