

BABACO® DIGITAL SEAL® INTEGRATED WITH TRUK-LOK V®

TRUK-LOK V® integrated with Digital Cargo Seal®

The digital seal is designed to automatically generate a random four-digit code every time the door closes. Our TRUK-LOK V® is highly demanded, integrated with our Digital Cargo Seal® our customers are ensured they have ULTIMATE transportation security. Proving the integrity of the load, the seal cannot be tampered with, anticipated, or altered in any way. This lock is intended to replace disposable seals and padlocks.

Combine with the DVIR APP for the ultimate in vehicle safety.
