

BABACO®

GPS SEAL PROTECTOR

GPS SEAL PROTECTOR® is one of the newest patent pending solutions added to the BABACO® line of products! The GPS Seal Protector® provides protection against tampering and provides proof of integrity of seal.

Benefits & Features

- Automatic notification of seal access provides time and location of each seal opening and closing event
- Continuous real time updates while vehicle is in motion (time intervals can be customized to fit your needs)
- Automatic sensor activates when protector is installed and/or removed
- GPS sends a notification via email or text to end user when tampered with, opened and closed
- GPS provides a more accurate signal outside of the truck in comparison to inside cargo installation placement.
- Easily installed and removed in seconds
- Tested to withstand severe shock, weather, stress and vandalism
- Made of tough, durable tamper proof material

Every day we set out to prove our slogan to the world;

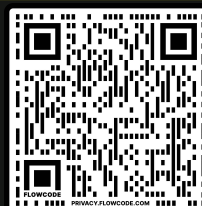

"The most trusted name in cargo security!"
