

BABACO®

SEAL LOK®

SEAL LOK® is one of the newest patented solutions added to the BABACO® line of products! This is a unique device that combines a high security padlock with a patented design enclosure. The SEAL LOK® when placed on a door and locked provides protection against tampering and the door hardware being cut.

Benefits & Features

- As easy to install / remove as a typical padlock in seconds
- Made of tough, durable stainless steel and cannot be cut with conventional tools
- Built with high security abloy cylinder
- Built to protect weak / vulnerable hasps on doors
- Built to withstand severe shock, weather and force

Every day we set out to prove our slogan to the world;

“The most trusted name in cargo security!”
